COORDINATING & CAMPAIGNING

Coordinating & Campaigning

- ▶ Support HantsCC plan
 - ▶ Brings fibre closer to our communities
 - ▶ Speeds up DSL for many
- ▶ Promote realistic expectations
 - ▶ Inform openly
 - ▶ With bad news too!
- ▶ But push hard & help generously

Restatement of problems

- ▶ DSL is very length dependent
 - ▶ VDSL is even more so!
- ▶ Added problems in Forest
 - ▶ No high buildings and few masts for wireless
 - ▶ Verderers protect the Forest
 - ▶ Very little freedom to dig
- ▶ 95% of Hampshire \neq 95% New Forest
- ▶ And “Superfast” really isn’t “JollyFast”
 - ▶ Time and technology moving forward quickly
- ▶ Lots of noise, little action

Thus, our group

- ▶ We are business, local government & community representatives
- ▶ Experience in technical, political & community issues
- ▶ We are setting goals for ourselves and negotiating support
 - ▶ Universal coverage level
 - ▶ Leading-edge Exemplar solutions
- ▶ We will coordinate across New Forest District
- ▶ We are recognised by NFDC, NFNPA & HantsCC

Services we're considering

- ▶ GIS
 - ▶ Mapping all the way to individual premises
- ▶ Educating Local Groups
 - ▶ Many dead ends!
- ▶ Advice for public funding
- ▶ Matchmaking for private funding
- ▶ Sharing resources & services
 - ▶ Backhaul, local network services

Please register your group with us

Your Name	[alphanumeric]
Email Address	[email address]
Premises Address	[UK address with postcode]
Premises landline for DSL	[telephone number]
Representing which group	[alphanumeric]
Number of people in group	[number 0-10000]

- ▶ Please share your ideas and wishes with us!
